

REMARKS

The Notice of Drawing Inconsistency with Specification indicates that Figures 5 and 6 are contained in the Drawings, but not listed in the Brief Description of the Drawings in the specification. An amendment to the specification adding brief descriptions of FIG. 5 and FIG. 6 is presented at page 2 of this reply. Therefore, the objection is believed to be fully addressed.

CONCLUSION

For the reasons given, Applicants believe that the application is in condition for issuance.

If any fees are missing or insufficient, the Commissioner is hereby authorized to charge any shortage in fees due in connection with the filing of this paper, to Deposit Account 50-1302 and to credit any excess fees to such deposit account.

Should any additional issues remain that might be resolved by a telephone interview, the Office of Patent Publication/Publishing Division is invited to contact the undersigned at telephone number (408) 414-1080 extension 202.

Respectfully submitted,
